# BAUHAUS DINING CHAIR

The Bauhaus Dining Chair is made from stainless steel and treated with a powder-coating. The product is suitable for outdoor use. Don't leave the chair outside at temperatures below 5 degrees celcius, as it might damage the surface coating. Store the chair indoor during the winter season. Exposed to direct sunlight the colour might fade slightly over time.

Use only warm soap water when cleaning the product and dry with a soft cloth.

Please arrange the Bauhaus Dining Chair carefully to prevent scratching the powder-coating or the floor.

Please do not stand on the furniture!

This product is tested and proved for the contract market.
