Pacha Collection for Outdoor

Pacha Outdoor Lounge Chair, Pacha Outdoor Lounge Chair with armrests, Pacha Outdoor Ottoman, Pacha Outdoor Sofa and Pacha Outdoor Sofa Modules have been tested for outdoor conditions.

The outdoor performance of the recommended upholstery and interlayer membrane will protect the filling of the furniture and keep the drying time after rain to a minimum. During rough weather conditions, like snow, hail, or storms, it is however recommended to store them inside. Under no circumstances place the furniture in permanent contact with water (e.g., inside shallow pools). Use a rain cover when the furniture is not in use. A customized cover for the Pacha Outdoor Lounge Chair and Ottoman can be purchased additionally at GUBI.
