LOCHAN

Lochan is an inviting, omni-directional wall light from Tala. Suitable for mounting to the wall or ceiling, this decorative light fixture has an IP44 rating, making it ideal for bathrooms, kitchens and outdoor settings. Its modest size and understated form elevate the profile of the light bulb, while the material choice and rugged finish guarantees visual consistency and integrity over many years of use. Suitable for any Tala E27 bulb, this design is best paired with Tala's matte porcelain bulbs: Sphere III and Oval.
